

COVID-19 Policies

Eagle County “Black Diamond” Phase

Eagle Ranch has been working diligently to monitor the COVID-19 pandemic and align the operations of the golf course with the recommendations of the public health orders that have been issued. We are dedicated to protecting the health and safety of both the public and our staff. In order to remain open, all customers must obey the following rules designed for everyone’s protection.

IF YOU FEEL SICK, PLEASE STAY HOME! IF YOU ARE CONSIDERED AT RISK, IT IS ALSO RECOMMENDED THAT YOU STAY HOME.

Reserving a tee time:

- Tee times can be made over the phone by calling 970.328.2882 ext. 1, or online at www.eagleranchgolf.com up to 7 days in advance.
- Walking is encouraged as it allows for better social distancing and less high-touch areas.
- Single rider carts are encouraged when possible or by request of high risk individuals unless of same “group” or household, similar to current restaurant seating guidelines. Due to a limited number of carts, there may not be a cart available at your tee time.
- Please be prepared to load and unload your own bag. We are allowing carts in the parking lot for loading and unloading purposes. Please be careful of traffic. Cart staff will do their best to assist you, but their main priority is cleaning carts properly while meeting the current high demand.
- Golf carts will be cleaned and disinfected after each use.
- Rental clubs and a limited amount of rental push carts are available and will be thoroughly cleaned and disinfected after each use.
- Club Storage is available, yet very limited.
- Reservations of less than four may be paired with other golfers to fill out the foursome. You will be able to maintain a physical distance of at least 6’ during your round. If you are not comfortable having a group join you, we encourage you to book and show up with four players.
- Scorecards and pencils will be available at the Golf Shop upon request.

Checking In:

- Golfers are encouraged to pay in advance. You may call the pro shop when you arrive at the course to pay for your fees over the phone with a credit or debit card or use the following link if you have previously established a profile in our system and your profile is attached to the tee time: <https://checkin.gallusgolf.com/CheckIn/1224>
- Payment by credit card is strongly encouraged.
- Also, to speed up the check in process we encourage one person to pay for the entire reservation and have the other players use an electronic form of payment to settle-up later.

- **Golfers MUST wear a face cover in/around the clubhouse and when interacting with staff.**
- A maximum of 6 people will be allowed in the Golf Shop at one time.
- Restrooms in the clubhouse will be open and disinfected regularly.
- The Practice Facility will be open. Hitting stations will be spaced at least 10' apart. Golfers must maintain at least 6' physical distance from each other at all times at the Practice Tee, Chipping and Putting Green.

- Physical distancing of at least 6' from everyone in your group and our staff **MUST** be adhered to at all times.

- Bunker rakes and ball washers are not on the course.
- Ball washers and sand bottles for divots are on the carts as they can be sanitized by our cart staff after every use.
- Bring your own pre-filled water bottles. There is a touchless bottle fill station at the Clubhouse that is sanitized regularly. There are no water coolers on the course.
- **ON COURSE RESTROOMS ARE OPEN** and are disinfected regularly.
- **We have new IN-GROUND GARBAGE CANS on Hole #'s 2, 4, 9, 11, 12, 14 & 18.** Use your foot to open the lid and drop your trash right in! They are great for a "no-touch" experience and birds can't pull trash out.
